SARIEL RENDA

Sariel Orenda is a musician, producer and DJ, who explores the connection between music and state of being. His music is a journey through a range of languages and cultures from around the world, with one main idea, to connect the listener with his deepest and truest self.

His music is a blend of traditional world sounds and modern day beats.

With the release of his debut album Whispers from the Seventh Sky in 2021, Sariel Orenda reached a wider audience and experienced rapid growth.

Today, he has released over 50 tracks and connects with more than 130,000 monthly listeners on Spotify.

Spotify®

Sariel Orenda currently presents two live formats. The first is a fully live performance of his original music, combining guitar, subtle electronics, and real-time looping, creating an organic and dynamic soundscape.

The second is an immersive concert experience in which he blends guitar and synthesizers to open a deep, introspective space for listening and inner exploration, warmly received by audiences.
